

**Message from the head:** I would like to start by wishing all our Muslim families a fantastic Eid al Adha for the upcoming celebrations. On that, I'd also like to thank the families who have been organising next week's Eid Party (Thursday after school). I am really looking forward to this event—I hope as many of you as possible are able to stay behind after school and enjoy the celebration as a community. This week we celebrated the children's home learning projects (see pages 10-15). As always I was very impressed by the creativity of the children, not to mention the high level of subject knowledge they displayed. Thank you for all the support you give your children to complete these and also for coming to the hall after school to help us celebrate their achievements. Below there is a notice from the Parents Association. I cannot overstate how important the work of the PTA is. It's not just about the money they raise, which goes a long way towards supporting the delivery of our creative curriculum opportunities and other specific projects like the playground, but their work is key to creating the strong school community that I believe is one of the strengths of Fleet. The many events they organise and run, that the children love and look forward to, are very special and it would be awful if we ever got to the point that we don't have enough parents actively involved to keep them going. Becky and Fab have put so much time and effort in over the years and have really driven the PTA on. I hope others will now step up and take on roles within the group so we keep the PTA going from strength to strength. Have a wonderful weekend everyone. See you all on Monday.

## Eid Party

**Thurs 20<sup>th</sup> June | 3.30pm - 5pm**

**Come along after school and STUFF YOUR PLATE with a variety of different yummy food!!**

**Adults: £2.50 a plate**

**Child: £1 a plate**

**Desserts: 50p/£1**

**Drinks: 50p/£1**

**Henna: £1**

**ALL MONEY WILL GO TOWARDS SCHOOL!**

## Parents Association

Becky and Fab will be stepping down from the PTA committee at the end of this school year, which means there will be some vacancies that need filling to help the PTA run as smoothly as possible.

An active PTA helps to build a strong school community and raise vital extra funds for the school through the yearly events it helps to organise, such as the upcoming summer fair on the 20th July.

If you think you would like to get involved in the PTA please let Fab know by contacting him on 07813513587 and he will be happy to explain what the PTA is about and why it is important for the school to have one.

Being part of the PTA is fun and rewarding, and a great way to meet other families and give back to the school.

## Weekly Punctuality Award

Wow! What a great week. Only 10 lates (although we did have only 4 days this week!) Well done to everyone. No class had more than 3—Reception highest at this level. This week's winners, with no lates were Year 1 and Year 4. Just pipping year 6 to the prize this week who had 1 late. If your child was one of those late this week, please endeavour to get them here on time everyday next week. It's been a while since we've had a class with no lates—so extra special well done to Year 4 and also Y1 who also took the attendance prize this week. Thank you for your continued support in teaching children the importance of punctuality and consideration of others.

Class	Lates
Y1 & Y4	0
Y6	1
Y2, Y3, Y5	2
Rec	3

## Weekly Attendance Award

We remain at 93.6% for the year, still some way below the 96% target but we have time to make up some ground. Well done to Y2, Y5 and Y6 who are above 95% for the year to date. As for this week, as a school we managed 95.1%, almost exactly the same as last week. Well done to Year 1 who are top this week with 98.8%. After so many problems with attendance this year it's great to see them winning this week. The just pipped Year 2 who had 98.5%. Year 6 (96.7%) and Year 5 (96.1%) also above the target level. As the weather improves and there is less illness around we hope the children are able to maximise their school learning opportunities between now and the summer by being here as often as possible. Thank you for your continued efforts in getting children to school.

Class	%
Year 1	98.8%
Year 2	98.5%
Year 6	96.7%

# Stars of the week!

## Nursery

For your fabulous mark making this week. We love the picture you drew of your family. Well done!

## Reception

For consistently sharing your great ideas and knowledge during carpet time. You are always listening carefully and remaining focused. Well done you star!

## Year 1

For your retelling of The Three Little Pigs. You retold the whole story adding lots of details and interesting words. Well done!

## Year 2

For your brilliant show of resilience and positivity this week. You are trying tricky things with a positive attitude and not giving up when questions were hard. Well done you for your fantastic effort!

## Year 3

For your incredible attitude to learning. You are always so positive and show such resilience and determination to succeed. Your enthusiastic attitude lifts the mood in the classroom and always puts a smile on my face!

## Year 4

For showing professionalism during our practice for our class assembly. Not only did you learn your lines and deliver them well, you were patient and listened when others were on stage! I have also been super impressed with how well you play the trombone, you listen attentively in our trumpet and trombone lesson. Keep it up!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

## Year 5

For your engagement in our class debate! Well done for delivering your points so persuasively and effectively countering the arguments from the other side.

## Year 6

For your brilliant attitude to all your learning. You are engaged, motivated and focused during all our lessons. I was particularly impressed with your attention to detail with all our Art work this week.

# Fleet Primary School Calendar Competition 2025

## This year's theme... Famous buildings and landmarks around the world!

The theme this year is **'Famous buildings and landmarks around the world'**. Big thank you to school council for coming up with this year's theme.

We are looking for artwork inspired by buildings and landmarks around the world. These can be man made—buildings, statues, bridges etc. or natural—rivers, reefs, mountains, valleys etc.

Children can use any art medium in their entries and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

Jupiter is the fifth planet from the Sun and the largest in the Solar System. Jupiter is a Gas Giant. Jupiter's mass is more than two and a half times larger than all of the other planets in the Solar System combined. Jupiter takes 12 years to orbit the Sun and is the first planet whose clouds in the zone's night sky. There is a small spot on the surface of Jupiter that is the shadow of the Moon which is seen from Earth.

The Wood Wide Web is a network of underground fungal threads that connect trees and plants. It allows them to share information and resources. It is like a secret network that we can't see.
