

Message from the deputy head:

We've come to the end of a typically busy half term and I want to thank all the children and staff for their continued hard work; it's amazing to see how much gets packed in to ensure the children have such a breadth of experience, as well as making fantastic progress in class too. Thank you to Year 5 who wrapped up our week with a fantastic class assembly this morning - can't wait to see them take centre stage as they lead the Junior Show next year. We sadly say another goodbye today to Oona who is moving back to Wiltshire to be closer to her family. She has been such a valued member of our community for the past 8 years and will be sorely missed. Thank you Oona for all your hard work, support and friendship; it's really been a pleasure working with you and make sure you come back and visit soon. I hope everyone has a restful, well-deserved break and comes back rejuvenated for our final half term of the year. We'll be kicking off with the Y6 trip to Gower so here's hoping the sun shines brightly from here on!

Good Luck Tom...sponsor him if you can!

Tom Looney (dad to Mickey) and two of his friends are climbing the 3 peaks this in half-term for Brain Research UK.

The reason they are taking on this challenge over 3 days by climbing a mountain a day is to attempt to raise more vital funds for Brain Research UK.

As many of you are already aware Tom's wife Louise is currently receiving treatment for brain cancer.

Brain cancer still remains the biggest killer of children and adults under the age of 40 all over the world. Yet brain cancer only receives 1% of government funding compared to other cancers. Brain research UK fund brain cancer research to help find a cure for this deadly illness! Let's all do what we can to help him.

SUMMER FAIR DATE CHANGE...

This event will now take place on **Saturday 20th July**—mark the date in your diaries and hope to see you all there! This event, like all the PA events, relies on parents to help organise and run—please speak to the Parents Association if you can help out (contactable via the office if you aren't sure who is in it).

There is a fantastic group of dedicated parents who run the Parents' Association and they really need more families to come forward to support and help spread the load. The more involved the less everyone needs to do. The children love the events they put on and they raise much needed resources for the school so please do come forward—any help, no matter how small, is greatly appreciated and makes a difference to all the children in Fleet. Thank you in advance.

Weekly Punctuality Award

Lates are up by 3 on last week with 26. Well done to Reception, Y1, Y2 and Year 6 with just 2 lates each. Second place goes to Year 5 with 3 lates. This means the majority of the lates (15 out of 26) were spread across Year 3 and Year 4. Lets aim to do better after the half term break. For classes with higher numbers, it is often children who are late on more than one occasion. Please try and get your children into school on time. When your child arrives late for class, they miss important instructions for the day and it can be disruptive for them and for the rest of the class. Thank you for your continued support!

Class	Lates
R, Y1, Y2, Y6	2
Y5	3
Y4	5
Y3	10

Weekly Attendance Award

This weeks attendance has taken a slight dip with overall attendance dropping from 94.7% to 91.4%. Well done to Year 6 who are still coming in at the top with 95.2% this week. Year 2 following closely behind at 95% and Years 5 and 3 just behind them both with 94%. Year 4, Year 1 and Reception are quite low with 90% and under—as they continue to struggle with illness and other challenges. Our overall attendance for the year is 93.5%, so lets keep pushing towards our target—we have one more half term of the school year left to improve!

Class	%
Year 6	95.2%
Year 2	95%
Year 5	94.9%
Year 3	94.5%
Year 4	90.6%
Year 1	88.5%
Rec	82.6%

This week, we had our Camden School Inclusion Support officer, Alison Ellis look at our attendance and meet with parents to discuss attendance and punctuality. She will be working with us to support the school in raising attendance.

Stars of the week!

Nursery

We are so proud of you! You are using lots of words to communicate with everyone, telling us what you want to do in Nursery and joining in with the routines of the day.

Reception

For your consistent focus and engagement during carpet times. You are always listening attentively. Keep it up you star!

Year 1

For being such a kind friend. You work so well in talk trios or partner activities, making sure everyone gets a turn and a chance to be listened to. Well done!

Year 2

You're your brilliant engagement all week, especially with our English work. I love reading all your ideas about sea creatures and you've worked so hard on your handwriting too. Wow!

Year 3

For trying hard with your focus this week! You have produced some really good work and have put effort into your presentation. Keep up the good attitude!

Year 4

You always impress me with your writing in English! You always try to meet the success criteria and take care to include all the different techniques we learn about. Your writing is always engaging and a treat to read. You should be super proud!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Year 5

Thank you for bringing such incredible energy to our class assembly! Well done on memorising your lines and delivering them with such enthusiasm!

Year 6

For your calm positivity this week. You've kept up the focus across all our lessons. Well done!

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

Fleet Primary School Calendar Competition 2025

This year's theme... Famous buildings and landmarks around the world!

The theme this year is **'Famous buildings and landmarks around the world'**. Big thank you to school council for coming up with this year's theme.

We are looking for artwork inspired by buildings and landmarks around the world. These can be man made—buildings, statues, bridges etc. or natural—rivers, reefs, mountains, valleys etc.

Children can use any art medium in their entries and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!
