

Message from the head:

Watching the Year 5 children learning about forces, motion, pushes and pulls as they swung around the hall on ropes and in harnesses this week was a classic example of how we try to present complex learning to the children using innovative and hands on practical ways that all can access. I am sure the children will remember their workshops this week, and the learning, for quite some time. As we approach the end of this academic year I am seeing lots of classes starting to wrap up their current topics and assessing the children's progress across the year towards the end of year targets. I have written before about the curriculum here at Fleet but it's worth mentioning again how much goes into the planning, preparation and individualisation that the staff do so that everyone here—no matter what their individual needs are—is able to access the learning, be stretched and achieve their potential. We know that children, just like adults, are all different and learn at different rates and in different ways. We do our utmost to ensure we are able to support every child with what they will need to thrive. There are always challenges to be faced from practical ones like the number of adults available or the money we have for resources, but the one constant is every member of staff's desire to do the best they can to support the children and make the learning fun, meaningful and impactful. In a couple of weeks you will be getting your child's end of year report. This will detail your child's successes and progress during the year and what they need to do next on their learning journey. Next week, the end of year events continue with our 'Wellbeing Week'. The culmination of this is Rec-Y6 sports day, this year at the running track on the Heath. I hope many of you will be able to join us. Have a lovely weekend.

Parents Association

Becky and Fab will be stepping down from the PTA committee at the end of this school year, which means there will be some vacancies that need filling to help the PTA run as smoothly as possible. An active PTA helps to build a strong school community and raise vital extra funds for the school through the yearly events it helps to organise, such as the upcoming summer fair on the 20th July. If you think you would like to get involved in the PTA please let Fab know by contacting him on 07813513587 and he will be happy to explain what the PTA is about and why it is important for the school to have one. Being part of the PTA is fun and rewarding, and a great way to meet other families and give back to the school.

Weekly Punctuality Award

After doing so well for so long it is disappointing to again see lates above 30 for the week—now 2 weeks in a row. There were 35 lates this week. The lowest by a class was the 2 achieved by Year 6 followed by 3 from Reception. 4 classes (Y2, Y3, Y4 & Y6) all had 6 or more. This is far too high and will be leading to these classes experiencing disruption to their learning as children are coming into class late. If you were one of the families to arrive at school late this week please ensure that you are leaving home in plenty of time to get here. Punctuality is a life skill we should all be instilling in our children. We hope to see an improvement next week. Thank you to all those arriving everyday on time.

Class	Lates
Y6	2
Rec	3
Y1	4
Y2,Y3 & Y5	6
Y4	8

Weekly Attendance Award

We remain at 93.7% for the year, still some way below the 96% target but we are continuing to see better attendance across the majority of the school. Well done to Y4, Y5 and Y2 - all 96% or above this week! After a very difficult year, Year 1 still showing strong having won the last 3 weeks, they're above 95% this week. For the week we are slightly up on last week with 94.3%. At this point in the year Year 5 are still the only class to achieve 96% for the year to date. Year 2 and Year 6 both close and above 95%. With a few more weeks to go, there is still time for each class to make some improvements after what has been a challenging year in terms of illness. Thank you for your continued efforts in getting children to school and the improving picture we are seeing.

Class	%
Year 4	98.0%
Year 5	97.0%
Year 2	96.2%
Year 6	95.6%
Year 1	95.3%
Rec	89.4%
Year 3	87.8%

Lunch Menu: 8th—12th July

Stars of the week!

Nursery

For all your wonderful imaginative play. We love the things you create and the way you involve others too.

Reception

For your focus and engagement during our phonics lessons. You are always listening carefully and giving it your best go! Keep it up you phonics star.

Year 1

For your contribution to our assembly practices this week. You quickly learned your lines and always remember when it is your turn. We have also been so impressed with your acting skills. Well done!

Year 2

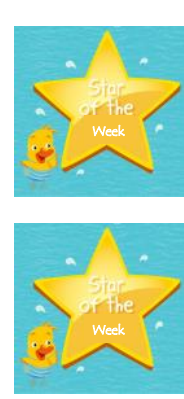

For your great effort in Fleet facts this week, you are doing really well and we can see you're trying hard. We're also always so impressed by how well you always listen on the carpet.

Year 3

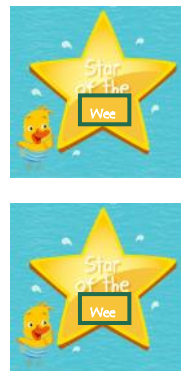

For being such a helpful member of our class! You are such a great team player and always have an enthusiastic attitude! You always radiate such positivity and you are such an asset to our class. Keep being a superstar!

Year 4

For always thinking about others! You are so kind and considerate to both peers and adults. You are always there if friends need help and are such a caring friend. You should be really proud of yourself!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Year 5

For the courage you showed when flying in the air during our workshops this week. Well done for persevering and giving everything a go!

Year 6

For your effort and positive attitude during our assembly practices. You're trying your best to learn your lines and support other children. Keep it up!

Dates for your diary this term...

WHOLE SCHOOL EVENTS

11th-17th July	Camden Schools Art Biennale 2024 11am-6pm @ Lethaby Gallery, Granary Square
12th July	Sports Day for KS1 and KS2 @ Running Track on the Heath (aim for 10am start)
16th July	End of year reports sent home and class swaps (children meet new teachers)
18th July	Open classroom—meet the teacher 3.30-5pm
24th July	Last day of term—school closes at 2pm

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

Fleet Primary School Calendar Competition 2025

This year's theme... Famous buildings and landmarks around the world!

The theme 'Famous buildings and landmarks around the world'. Big thank you to school council for coming up with this year's theme.

We are looking for artwork inspired by buildings and landmarks around the world. These can be man made—buildings, statues, mountains, valleys etc.

Children can use any art medium in their entries as many times in a term as they want. It is important that they put their name and class on the back (and not on the front). They should also include a 'fun fact' about their subject written on the back which will be included in final calendar if their entry is selected.

Prizes will be awarded monthly.

Planets and Palettes

Summer Term Topics

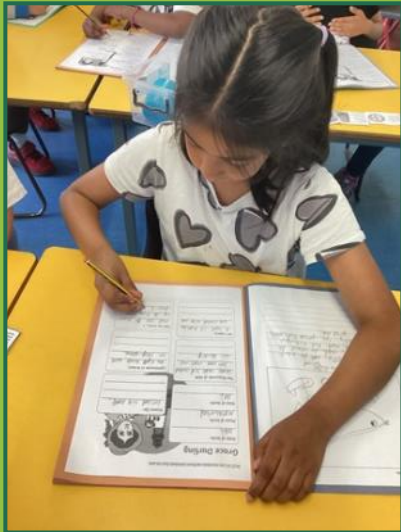

Year 4: Under the Canopy
Y3 - Fantastical Forests
Year 2: From Sea to Shore
Year 1: Spring into Summer
Nursery & Reception: Animal Adventures

Year 1 Class Assembly

This week at Fleet...

This week we had some special lessons happening in school with the Year 5 class working with Scarabeus Aerial Theatre. They were doing a special 3 day workshop looking at the physics of flight. Harnesses on and 'flying' around the hall learning all about motion, pulleys and forces. Look out for the photos—lots of fun. They will be returning next year in the Autumn term to work with another class on a different project—watch this space! Also this week year 6 have been continuing to work on their post-Gower art project. The work they are producing is of such a high quality—look out for it as it starts to form the new gower display in the hall. Elsewhere we've had a visits to Kew Gardens for Year 3 as well as the usual busy classes back here in school. Next week is our wellbeing week and is shaping to be action packed too. We hope you enjoy the pictures in this week's newsletter.
