New items this week...

To try and make it easier to find information we have included a contents list with hyperlink to the right—we hope this is useful.

Some of the new items this week to draw your attention to include a reminder that next Monday we are closed for INSET training. On this page is a link to take part in a survey being carried out by Caterlink, the company who provide our school meals—we hope you will take the time to respond to this. It's not too late to sponsor Tom Looney who managed the impressive feat of scaling '3 Peaks' over half term—we'll done Tom— see link below right. Some new dates have been added to the dates for your diary page—see [Page 2](#). The latest parent information sheet from the National College to support children staying safe online can be found on [Page 21](#). The is information on a parenting course being run by the Brandon Centre on [Page 42](#). Tomorrow, Marcus Boyland, our local councillor, will be holding his monthly surgery here at school. Please do drop in from 9am if you have an issue to raise with him and he will do what he can to help—see [Page 38](#) for more information on Local councillor monthly surgeries.

INSET DAY

**Monday 10th June
SCHOOL CLOSED**

Don't forget that **Monday next week is an INSET day and school is closed.**

We reopen on Tuesday as normal at 9am.

Caterlink School Lunch Parent Survey

As your catering provider we value feedback from all stakeholders to help us improve the service we provide to you and your pupils. This term we are asking for **Parent/Guardians** to complete a survey on the meal provision we provide. We really appreciate your support with this. Please use the link below or QR code to take part.

Eid Event—Thurs 20th June

Look out for more information and requests for help in the coming weeks.

Well done Tom...please sponsor!

Tom Looney (dad to Mickey) and two of his friends climbed the 3 peaks this half-term for Brain Research UK.

The reason they took on this challenge over 3 days by climbing a mountain a day was to attempt to

raise more vital funds for Brain Research UK. As many of you are already aware Tom's wife Louise is currently receiving treatment for brain cancer.

Brain cancer still remains the biggest killer of children and adults under the age of 40 all over the world. Yet brain cancer only receives 1% of government funding compared to other cancers. Brain research UK fund brain cancer research to help find a cure for this deadly illness! We're pleased to say Tom managed this amazing feat and we want to do all we can to help him in his fund raising. Follow this link to the just giving page:

Trips, Clubs, Book Bags & Donations

If you are having any problems accessing the online payment portal on ScoPay—or are not yet setup and would like to be, please do speak to Lisa in the office. You can now pay for all of these things online without having to bring in cash via the office and can also pay for a term of clubs without having to remember each week. Please note, the app version would not show the donation tab without there being a balance so we have put £1 here. This is not money you owe! It is simply there so it shows up allowing any who wish to make any size of donation to the school to be able to do so using the app. Thank you.

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Tips for Talking

Using the tips

Over the last 10 weeks we have been sharing 10 top tips (1 a week) with you to use with your children and support language development. We hope you found them useful.

These tips are some of the simple things we can all do to support the development of babies' and young children's speech, language and communication skills and give them the best start in life. Here are all 10 for you as a refresher...

TIP 1

Talk to me while I am in your tummy.

I am listening.

I like to hear your voice.

TIP 2

Look into my eyes and talk to me face to face.

I might not be talking back but I like listening and copying.

TIP 3

Talk to me in our home language.

Talking in two or more languages helps my brain develop. This makes it easier for me to learn English and other languages.

TIP 7

Singing rhymes with me is a great way to bond and be together.

Share books with me, talk with me about the pictures.

TIP 4

Copy me. Repeat my sounds. Wait for me to take a turn.

Respond to my smiles and sounds.

TIP 8

Talk to me all the time when we are doing everyday things like having a bath, walking to the park or tidying up.

TIP 5

Talk with me about the things that interest me.

This helps me to link the words you say with the things I see.

TIP 9

Talk to me about how you think I am feeling.

Telling me how you think I feel helps me to feel safe and understood.

These chats help me to learn how to talk about my feelings.

TIP 6

Screens away, it's time to play! Put down phones and ipads.

When you talk to me it helps me learn about the world around me.

TIP 10

Add extra words to what I say, this helps me learn longer sentences.

Camden schools – bright futures

Dear parents and carers,

We're proud of Camden's secondary schools, which are high achieving and ambitious for all students.

Like Camden, our schools are vibrant and diverse, offering a tremendous range of opportunities to help prepare their students for successful futures. We believe there's nowhere else in London where young people can receive such an excellent, individual education, with a curriculum and approach which is creative, diverse and inclusive.

This is because each of our secondary schools offers a unique combination of high quality teaching, a prime location in the heart of London and valuable partnerships with world-class businesses, academic institutions and cultural organisations.

Camden's Moving On to Secondary School Event on 13 June is aimed at families of children who will be starting secondary school in September 2025 and September 2026 (current Years 4 and 5). We do hope you can join us there.

Tim Aldridge,
Executive Director,
Children and Learning,
Camden Council

Councillor Marcus Boyland,
Cabinet Member for Best Start
for Children and Families,
Camden Council

Camden schools

- Camden Borough GCSE results are consistently above the national average
- Every Camden school offers a supportive approach to pupil wellbeing, including pastoral teams to ensure that children feel safe, happy and ready to learn
- Our secondary schools are committed to creative and vocational learning, with our unique Camden STEAM offer (science, technology, engineering, arts and maths)
- A Google-supported AI campus is due to open for Camden students in autumn 2024
- Camden Music Service organises instrumental and vocal tuition in most Camden schools plus borough ensembles, choirs, two Saturday music centres and an instrument hire and purchase scheme for parents. A spectacular Camden Schools Music Festival is held at the Royal Albert Hall every two years. Visit camden.gov.uk/camdens-music-service
- First-ever Camden Schools Art Biennale Exhibition from 11 to 17 July 2024 at Central Saint Martins, University of the Arts London, Granary Square.

Choosing a secondary school - top tips

- Come to our Moving On to Secondary School Event on 13 June – see front page of this flyer for details
- Visit Camden secondary schools on their open days and evenings next term – visit the schools' websites for details or camden.gov.uk/admissions
- Come to a Meet the Parents forum, held at local primary schools – visit meettheparents.info for details
- Visit gov.uk/dfe (click 'school and college performance data' link)
- Go to ofsted.gov.uk for the latest Ofsted reports
- Visit parentview.ofsted.gov.uk to see how other parents rate the school.

From the National College - Wakeup Wednesday Guides

At The National College, our WakeUpWednesday guides empower and equip parents, teachers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about **CLICKBAIT**

WHAT ARE THE RISKS?

Clickbait is a controversial online marketing strategy which uses sensationalist (and frequently misleading) headlines to encourage engagement with an article, image or video – often playing on users' emotions and curiosity, while much of the actual content is of questionable accuracy. Clickbait is also sometimes used to disguise scams, phishing sites and malware.

HARMFUL MISINFORMATION

Clickbait tends to play fast and loose with the truth, opting for eye-catching content over objectivity. This is particularly dangerous for younger internet users, who are generally more susceptible to that type of material. A child could be presented with fake news, misleading articles and – in some cases – outright lies without fully understanding what they're viewing and why it's harmful.

INAPPROPRIATE CONTENT

Due to the misleading nature of many examples of clickbait, what may seem to be innocuous and child friendly could actually contain age-inappropriate material such as extremist political views or violent, pornographic or sexually explicit content. This is clearly a hazard for young people, who could be upset, disturbed or influenced by exposure to such subject matter.

HIDDEN MALWARE

While most clickbait is simply trying to promote engagement to earn companies additional revenue, some of it does redirect to dubious sites with the potential to infect devices with viruses or malware. This could put a child's sensitive data – such as their name, their location and their date of birth – at risk of being accessed and exploited by malicious hackers.

PRIVACY PROBLEMS

Some clickbait leads to sites which could coax a child into volunteering their personal data – using pop-ups to ask them for their email address and phone number, for example, in exchange for accessing additional content or subscribing to various services. Normally, this harvested information is then sold to third parties, who often utilise it for targeted adverts and other sales schemes.

A DRAINING DISTRACTION

Clickbait encourages spiralling consumption of online content, which could easily result in a young person spending hours scrolling aimlessly instead of doing something productive or interacting with family and friends. This can leave them tired, asocial and lacking focus – and, in the long term, can negatively impact their social skills, education and mental wellbeing.

IMPACT ON BEHAVIOUR

Depending on the type of clickbait a child is interacting with, you might notice negative changes in their behaviour. Weight loss scams, for example, are common among clickbait and have the potential to influence eating habits and body image – while deliberately inflammatory 'rage bait' articles can leave impressionable young people feeling irritable, restless or argumentative.

Advice for Parents & Educators

START A CONVERSATION

The sheer volume of clickbait can make protecting children against it quite challenging. It's vital to talk to young people regularly about the types of content they encounter online, so that they understand the risks of engaging with clickbait. If you're still concerned, it may also be wise to keep an eye on children's online activity to ensure they're not being tempted by clickbait headlines.

PROMOTE CRITICAL THINKING

Encouraging children to question the legitimacy of sensational headlines and too-good-to-be-true promises will help them to become savvier online – and far less likely to be drawn in by clickbait content. These critical thinking skills will also serve to protect them in other areas of the digital world where misinformation is becoming increasingly common.

SPOT THE TELLTALE SIGNS

There are certain common elements in clickbait, including headlines and images that use shock and outrage to grab people's attention – as well as numbered lists, such as "8 Facts You Won't Believe Are True". Some clickbait combines several of these tactics to snag users' interest. Learn to recognise these techniques for yourself so you can teach children to notice them as well.

TAKE CONTROL

Many parents opt to place limits on how long their children can spend online each day, which obviously reduces the chance of exposure to clickbait. Alternatively, most internet-enabled devices have built-in controls that allow parents to manage what sort of online content their child can access – including filtering by age, which can screen out a percentage of inappropriate material.

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Bookmark

Help a child learn to read

This year our school is working with **Bookmark**, a children's literacy charity that links schools with volunteers to provide children with extra reading support.

You can help a child develop the reading skills and confidence they need for a fair chance in life. Two hours a week, for 12 weeks.

As a Bookmark volunteer, you'll help your community and make a huge difference to a child.

Registered Charity No. 117768

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

 Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

 One-to-one support if you are feeling low, anxious or stressed by family life

Emotion Coaching is an evidence-based approach that involves responding to and talking with children in a way that develops self-regulation.

Emotion Coaching helps children to name and understand their emotions and teaches them ways to process and manage emotions in a helpful way.

How will Emotion Coaching support you and your child?

- ✓ To better understand and validate your child's emotions
- ✓ Helpful ways to respond during moments of heightened emotion
- ✓ To implement appropriate boundary setting
- ✓ To reduce behaviours that you find challenging
- ✓ To further improve the parent/child relationship

Free 24/7 urgent mental health support for young people

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need, including children, young people and their parents. The lines are free to call and open 365 days a year.

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are

allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or

reduced your hours to less than 16 hours in the last 4 weeks
Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

<https://accountforms.camden.gov.uk/freeschoolmeals/>

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
