Wednesday 12th February 2025

New items this week...

Please see the flyer and link below for tomorrow's First Aid course for parents—only a few places left. We ran this successfully last year and it was requested again in the parent questionnaire this year so please sign up if you want to attend as places are limited. Also below is a notice about this Friday's coffee morning where we have a speaker covering the topic of managing screen time. [Page 2](#) has advert for tomorrow's very first 'Whole School Tea' - please come along and enjoy the company for the Fleet community. [Page 3](#) has the latest updated dates for this term. It's not too late to sign up your child to the Camden 'Try an Instrument Day' which is the end of half term (22nd and well worth checking out) - see [Page 11](#). [Page 19](#) has the 'Wake Up Wednesday' info sheet on 'Social Media Scams'. [Page 22-29](#) has details of half term opportunities for the children to be engaged in—new ones added in this week including from HvH Art for an art workshop this Saturday. [Pages 31-32](#) have information from the Camden Youth Hub. [Page 41](#) has information from Puss in Boots nursery about an event coming up in March while [Page 42](#) has information one vents running at Queen's Crescent Library each week.

Please do look at the rest of the newsletter in case you missed anything previously.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

What Parents & Educators Need to Know about SOCIAL MEDIA SCAMS

On any social media platform, you'll often come across links to various websites. They might include exclusive online shopping offers or invites to complete a quiz and earn a particular reward. In some cases, however, these links lead to illegitimate sites or ask for personal details – a ploy to capture sensitive information, which scammers then exploit.

FAKE PHONE DEALS

Criminals will contact you pretending to be your mobile phone vendor offering an upgrade or discount on your contract. They will seek to gain personal data along with the username and password associated with your account, before then using this info to either take control of your phone number or order phones, devices or new contracts through your account, before selling these on.

ROMANCE SCAMS

Fake profiles are sometimes created on dating sites or social media to manipulate other users with the promise of romance. They might spend significant time gaining their target's trust in text chats, before encouraging them to send explicit photos with the promise of this being reciprocated. In many cases, these images are instead used for blackmail – most commonly demanding money to prevent the scammer from sending these intimate images to the victim's friends and family.

MALICIOUS APP DOWNLOADS

Some cyber-criminals design apps that appear genuine or helpful – and are normally free – but have instead been created to steal your personal information. For example, a pop-up could appear, warning that your device is infected with viruses and recommending you install their anti-virus app – which does nothing but grant cybercriminals access to your device and any information you have stored on it.

SOCIAL MEDIA IMPERSONATION

Another method employed by scammers is the creation of fake social media accounts to trick people into sharing personal information or sending money. They could impersonate an influencer, a money expert, or someone else trustworthy, and tempt users into sharing private information: asking for payment information to take part in a prize giveaway, for example. In these cases, the offer simply doesn't exist, and any information disclosed will end up in the scammers' hands.

FAKE EXAM PAPER SALES

Particularly during the exam period, criminals will use social media to advertise 'leaked' exam papers for sale to students who want to get an advantage. Unfortunately, these papers are often either outdated or completely fake. Whether the paper was authentic or not, many exam boards may consider any attempt to buy one an offence and could disqualify a student from all exams for this.

'PAYMENT FIRST' SCAMS

On platforms that let people sell goods, like Facebook Marketplace, a malicious user can list an item for sale, requesting payment up front. Most online stores work this way, but the crucial difference here is that scammers ask for payment through a channel which isn't regulated by the site itself – such as a direct PayPal transfer. If the user pays in this way, the scammer never sends the item, and the payment can't be reclaimed.

Advice for Parents & Educators

STICK TO REPUTABLE RETAILERS

Be wary of any offers which seem too good to be true or where the fear of missing out (FOMO) is emphasised: this could be criminals seeking to exploit human behavioural weaknesses. Where possible, use respected retailers and online vendors as their offers are likely to be more trustworthy. If something looks too good to be true, then it probably is.

Beware a sense of urgency

Criminals often try to convey a sense of urgency to pressure users into acting without thinking. For example, a scammer pretending to be your bank may ask for your payment details to investigate 'fraudulent transactions' on your account. Proceed with care where such immediacy is emphasised; question why this person seems to be trying to make you panic.

INSTALL ANTI-VIRUS SOFTWARE

Ensure that you have robust and reliable virus protection installed on any of your devices that support it. Anti-virus programmes help to insulate you against cyber-attacks by blocking any malicious downloads or detecting and removing any recently downloaded malware. Update your virus protection software regularly and carry out frequent scans of your device.

KEEP YOUR INFORMATION SECURE

Always ensure that your passwords aren't easy to guess; make them out of three random words, providing something long but memorable. Change your password if you have any concerns about your account's privacy, while enabling multi-factor authentication on all accounts to make unauthorised access more difficult. You should also avoid ever entering personal information on unfamiliar websites, as this could result in key information being passed on to a scammer.

Avoid opening suspicious emails

When you get an email, always check the sender's address before opening it. If it's an unexpected email and the sender is a stranger, mark it as junk and delete it. They could be a scammer who's seen your email address on your social media profile or had your contact details sold to them by a third party. The best defence you have against phishing attempts is to remain vigilant.

REVIEW PRIVACY SETTINGS

Regularly review your privacy settings on social media. You can restrict which parts of your profile can be seen and by whom. We recommend hiding your personal information from anyone except trusted friends and family, which significantly limits the details a scammer can use against you. It can also be safer to only accept friend or follow requests from people that you already know.

Help a child learn to read

This year our school is working with **Bookmark**, a children's literacy charity that links schools with volunteers to provide children with extra reading support.

You can help a child develop the reading skills and confidence they need for a fair chance in life. Two hours a week, for 12 weeks.

As a Bookmark volunteer, you'll help your community and make a huge difference to a child.

Registered Charity No. 117768

*Could you volunteer to help a child with their reading? Our school is working with **Bookmark**, a children's literacy charity, to provide our pupils with extra reading support. As a volunteer, you'll come into school to read and play fun, literacy games with the same child for 30-minute sessions, twice a week. We're looking for people who could support a minimum of two children a week, across 12 weeks. Sign up now to help children in your local community. Please feel free to share this volunteering opportunity with your own networks. You can find out more and sign up here: www.bookmarkreading.org/volunteer2f*

HALF TERM CLUBS AND EVENTS...

SCHOOL'S OUT! HOLIDAY ACTIVITY PROGRAMME AT YOUR LOCAL CAMDEN LEISURE CENTRE

This Half Term we are delighted to be offering a variety of activities that are set to have your children excited to share what they've been doing over the holidays. These activities range from swimming for all the family, learn to swim short courses and junior gym. There really is something new for young people to get involved with in Camden this half-term. The Holiday Programme runs from Monday 17th – Sunday 23rd February 2025.

Swim For All

No matter your fitness, 'Swim for All' sessions are perfect if you're looking to build your confidence, work on strokes, float away stress, or simply enjoy a casual swim with family and friends. 'Swim for All' sessions are suitable for all ages, in pools across Camden.

Kids for a Quid

The Kids Swim for a Quid initiative will be available in all our leisure centres in Camden during February half-term from Monday 17th February. This half-term, under 16s will be able to swim in our pools during Swim for All sessions for £1, every day until 10am.

Half-Term Courses

This February half term we have 3 half term specific weeklong courses on offer:

- 1 on 1 intensive swimming lessons at Kentish town
- A multi-sport and gymnastics course at Talacre

Junior Gym

A dedicated session where teens and older children aged between 11-15 years old can access the gym and get active. Sessions have a member of staff present, so if you are unfamiliar with any equipment, you can always ask them for safety advice. All juniors, however, are required to book a junior gym induction prior to attending the session.

Soft Play

Soft Play gives children the freedom to play and use their imagination in a specially built maze of ball pits, slides and rope swings. We run drop-in sessions throughout the week, and you are free to come along at any time to any session and join the fun.

Memberships

Whether you want to make a one off payment or monthly payment we have a wide range of memberships on offer **Pay and Play Junior U18s: £6.55 for the year/ Pay and Play Over 16s: £49.50/Monthly junior: £19.50** or Concessionary: **£14.80** www.better.org.uk/memberships

Free, booking essential. Children to be accompanied at all times

Information

Simple materials - such as the humble stick - can spark incredible creativity. Inspired by techniques taught at Central Saint Martins, this series of workshops will explore how simple materials, like sticks, can be transformed through imaginative making.

Each session, led by tutors from CSM, offers hands-on experience including: fashion, textiles, drawing and 3D design / architecture and digital media. Along the way, young people will gain a glimpse of what happens at Art School and why it might be an exciting path for their future. So, come along this half term, explore, experiment and see how big ideas can grow from something as small and simple as a stick!

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). Special Parents Forum

SPRING Calendar 2025

Welcome to our SPRING Calendar of events, workshops and meetings for any parent, carer in Camden with a child or young person (0- 25 years) with special needs.

Whether you are seeking guidance, looking to share your experiences or simply hoping to connect with other parents or carers, our calendar has something for everyone. Please join us!

Coffee Mornings are a chance to meet other parents for a chat & to share advice and info.

Walk and Talks are relaxed walks on Hampstead Heath and a chance to get together with other parents, have a cup of coffee along the way and just talk about anything and everything.

Workshops are held each term on different subjects.

Forum Meetings are when we get together as parents with different professionals from services in and around Camden – ask questions, get updates and give feedback.

Autism Training Offer for Parents/ Carers

We are providing training on three Autism Education Trust modules to the community throughout the academic year. Sessions will be held in Autumn, Spring, and Summer, with content adapted for parents, carers, and families to enhance its relevance to home life.

London Borough of Camden partnered with the Autism Education Trust (AET) to offer training. In the past three years we have provided over 100 training sessions to almost 2,500 professionals from the education, voluntary, health and council sectors in the borough. (For further information on AET please see <https://www.autismeducationtrust.org.uk>)

Our 2 hour online Training modules

MAKING SENSE OF AUTISM

For All ages

1

20th November and 12 February

'Making Sense of Autism' is basic autism awareness training for people who would like a better understanding of autism in order to support their engagement with and understanding of autistic young people.

PLAY IN THE EARLY YEARS

Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

One-to-one support if you are feeling low, anxious or stressed by family life

Our support.

- Midwifery and health visiting services
- Information and support about breastfeeding, baby feeding and healthy eating
- Stay and play drop-ins and other activities for you and your child to enjoy together
- Family support team — if you need extra help
- Early education and childcare and childminders
- Help to find training and employment and benefits advice

Parent/Child Interactions

How do you spend time with your child? The aim of this webinar is for you as parents/carers to find out more about what research tells us about effective parent/child interactions that promote, maintain and increase positive connections with your child. Research shows that a positive relationship has a positive effect on children's physical health (helping brain development), emotional well-being (e.g., positive relationships with the world) and behaviour (e.g., positive relationships more likely to be prosocial). This webinar will help you improve your relationship with your child.

For Primary School Parents/Carers
Tuesday 22nd October, 12.00-13.00
Q and A: 13.00 to 13.30

Screen-time

Screen-time—perhaps a challenge for all parents of the digital age? In this Webinar we will provide you with the latest research as well as explore why this topic can be so challenging alongside some helpful ideas parents might try.

For Primary and Secondary School Parents/Carers
Tuesday 26th November AM&PM
12.00-13.00, Q and A: 13.00 to 13.30

Sleep

How does your child sleep? Why is sleep so important for children and young people? Research tells us that children with sleep issues can struggle. Approximately 1 in 5 adults have some difficulty sleeping. This webinar will help you understand more about how to help your child to improve his/her sleep and well-being.

For Primary and Secondary School Parents/Carers
Tuesday 17th December, 12.00-13.00
Q and A: 13.00 to 13.30

Managing Routines

Consistent routines that are developmentally appropriate can help you and your child. Routines can help with overall family functioning - not to mention making that dreaded routine that you dread so much easier! In this webinar we will be talking about how to establish and maintain routines for all family members.

For Primary School Parents/Carers
Tuesday 28th January, 12.00-13.00
Q and A: 13.00 to 13.30

Understanding Adolescent Development

Adolescence is a time of great change. Young People at this stage of life are going through physical, hormonal, emotional, relational as well as psychological change. This Webinar aims to provide a brief overview of these key changes so that Parents/Carers feel better equipped to make sense of and support their young person's development.

For Secondary School Parents/Carers
Tuesday 25th February, 12.00-13.00
Q and A: 13.00 to 13.30

Having therapeutic conversations with your child

How to have therapeutic conversations with your child? Having open, thoughtful and caring conversations with your child can be very beneficial for a child's emotional well-being and their social problem-solving skills. Join us for this Webinar to learn some top tips for having these important conversations with your child.

For Primary and Secondary School Parents/Carers

Sibling Relationships

The relationship between siblings is a big part of the children's learning and development. Siblings grow up in the same environment, they share same parents, same memories and similar experiences. The sibling relationship is going to last longer than any other ones and it plays an integral part in the families' lives. Join us for this Webinar if you want to know more about how the sibling relationship has an impact on the child's learning and development.

Supporting Childhood Worries

What is worry? What do children worry about? Why? The aim of this webinar is to help you as parents and carers understand more about the different worries children typically have and to learn some strategies for managing your child's worries (e.g., facing anxiety-provoking situations, problem solving, refocusing attention and relaxation/mindfulness techniques). This webinar will help you if you find yourself struggling to manage your child's worries.

Q and A: 13.00 to 13.30

Anxiety in Adolescence

What is anxiety? What are young people worried about at the moment? Teenagers are often more reluctant to talk about and work on their anxiety as this can make them feel embarrassed or self-conscious. The aim of this webinar is to help you as parents and carers to learn more about the different types of anxiety typically experienced by teenagers. This webinar will help you understand how to support your teenager in overcoming worry and anxiety.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.

Free 24/7 urgent mental health support for young people

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need - including children, young people and their parents. The lines are free to call and open 365 days a year.

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your

household income must be less than £7,400 a year (after tax and not including benefits)

- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

'That's not very ladylike'

'Man up'

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoys.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.
