Friday 13th September 2024

Message from the head: Welcome to the first Friday Newsletter of academic year 2024-25! At the end of our first full week back already I am seeing some fantastic work from the children. Teachers are putting up their topic displays in the corridor outside my office at the moment and it's clear to see how engaged the children are already in their new topics. The start of year can be daunting, with new rooms, new teachers and support staff and for some of you new schools completely! It's wonderful to see how the children are taking it in their stride. Even for our youngest learners, joining nursery and reception, a time that often is harder for us as parents to let go, than it is for them, the purposeful buzz coming from their settings already is great to see. I love coming back after the summer to all the familiar faces and also getting to know the new ones—it takes a little while to get to know everyone and learn the new names but I'm working on it!

We have a busy term ahead with lots of events being booked in already from trips, workshops and whole school events. Do keep your eye out each Wednesday for the Community Notices Newsletter with information from not just school but many community organisations and then this Friday Newsletter which focussed on the work the children are doing here in school and celebrates their achievements. Both newsletters have the list of special events for each class and this is updated as new things are booked. If you haven't already, please do complete the google form for photo consent that was sent home earlier this week (and box to the right) so we can continue to share all the wonderful pictures of the children and their work. The children love seeing themselves in the newsletter when their teachers share it at the end of the school week and I hope for you it's useful to see what your children are doing through the week. Thank you to all who were able to make this week's curriculum meetings, if you weren't able to come you should have received the topic letter and snapshot following the meeting via ParentHub. Have a great weekend and see you next week.

This term's Curriculum Topics

Following this week's Y1-Y6 Curriculum Meetings you should have received the Topic Letter and Snapshot via ParentHub.

These areas also linked online if you ever need quick access you can by visiting this address:

<https://www.fleet.camden.sch.uk/learning/curriculum/topic-overviews>

This Term's topics are:

Nursery: Me and My World

Reception: Superheroes

Year 1: Lost

Year 2: All Around the World

Year 3: Rock and Rumble

Year 4: Togas to Tunics

Year 5: Valiant Vikings

Year 6: From Script to Stage

Photo Consent

At Fleet, we sometimes take photographs or videos of pupils. We use these in the school newsletter, on the school's website, school Twitter account and on display boards in and around school to help keep you updated with the life of the school and your child's part in that.

We would like your consent to take photos and videos of your child, and use them in the ways described above. We would be grateful if you could complete the online form by following this link: <https://forms.gle/RSLgqPRJN2njx1w7>

If you're not happy for us to do this, that's no problem – we will accommodate your preferences and if you wish to withdraw or change these consents at any time, please contact:

Weekly Punctuality Award

Lates this week are low which is fantastic! Across the whole school there were only 7 instances of children arriving late. This is a brilliant start and will help your children to maximise the time in class to focus on their work and avoid other children being disturbed by late arriving children. Thank you for such a positive start to the term. Special mention for Reception, Year 5 and Year 6 who each had no lates all week.

If your child was late this week please ensure they arrive on time in the future. We owe it to our children to instil in them the importance of punctuality. The habits they develop as children will be long lasting. If you are late dropping your child please go in via the office to drop your child—do not enter the class once the school day has started to avoid disturbing the other children. Thank you.

Class	Lates
Rec, Y5 & Y6	0
Y1 & Y4	1
Y2	2
Y3	3

Weekly Attendance Award

Our target for attendance over the year remains at 96%. We were a long way off that over the last two years which was very disappointing having really had excellent attendance across the school pre-covid. For this week attendance is 96.5% which is excellent and as you can see to the right all but 2 classes are above 96% for the week. Unfortunately for the first three days of term last week a number of children were not here so for the term as a whole we are currently below the 96% target at 94.9%. Thank you to all of you who have come back on time and ready to make the most of the term ahead. If we can maintain high attendance then we know we can reach our target. Attainment is heavily linked to school attendance, the more school you miss, the less chance you have of keeping up with the learning. Well done to this week's winners, Year 6. Thank you for your continued efforts in getting children to school and maximising their learning opportunities.

Class	%
Year 6	99.2%
Year 2	98.4%

Stars of the week!

Reception

I'm super proud of how well you have settled into Reception with new routines. Thank you for being super helpful around the classroom. Keep it up you star!

Year 1

You've had an excellent start to the term. You quickly settled into the Year One classroom and have been a kind, inquisitive, and supportive friend to the other children in the class. We are

Year 2

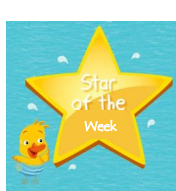

For your lovely London acrostic poem this week. I loved reading your ideas. We're sad you're leaving us this week but we know you're going to have a great time at your new school. We'll miss you!

Year 3

For your perseverance with beginning to write your date and learning objectives. You have had a great start to year 3 and have been super friendly to your new peers. Well done!

Year 4

For an amazing start to year 4! You are focused and have engaged in all activities with a keen and enthusiastic attitude! We are going to miss your kind, friendly and positive nature. Well, done and keep it up! I know you'll shine wherever you go!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Year 5

Well done for an excellent start to Year 5. You have had a positive, resilient attitude to your learning and you have been trying really hard to stay focused in lessons. Also, your presentation has been outstanding! We are so proud of you Millie, keep it up.

Year 6

What a fantastic start to the term you have had! You have already produced some exceptional pieces of writing and are evidently trying your best in lessons. Keep up the brilliant work superstar!

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.
