Message from the Head...

I finished this week spending the last three days with the Year 5 children and staff on their residential trip to Sayer's Croft. It's always one of the highlights of the year for me, getting to spend time away from school with the children, seeing them in a different environment than the usual school day. Watching them growing in independence and pushing themselves to take on challenges they would normally not have the chance to is a great privilege. As expected this group of children took on the challenges with excitement and enthusiasm. While they naturally miss their families (as us staff do to) and the normality of being in their own beds, each and every one of them will be coming home today with memories that will last a lifetime - I still remember adventures on my own school journey (although for a country boy like myself we went to this city!). I'd like to say a big thank you to all the staff who go the extra mile by being available 24 hours a day for the 5 days to allow us to continue to offer these residential trips which are such an important part of the children's development, supporting them in developing their independence and resilience as they come towards the end of their Primary School experience. I'd also like to say thank you to all the parents who continue, year on year, to support the school in offering this and the Year 6 Gower trip. For many of you parents it will be the first time you spend any length of time away from your most precious children and we know it is not easy. The trip is almost as important for you preparing yourself for them growing up, as it is for them to be going. It's brilliant that not a single child missed out this week - every single year 5 going along. As much fun as we had, we are looking forward to being back in school on Monday. Have a great weekend.

Weekly Punctuality Award

Well done to Year 6 this week, winner of the punctuality award, with no lates! We're creeping back up again with a total of 26 this week, up from 17 last week. Y4, Y1, and Reception all need to improve on arriving on time. Camden will be looking at punctuality and those that are frequently late and so if your child was one of those arriving late this week, please ensure that you support them to leave with plenty of time to get here. Classrooms are open from 8.45am so children (and adults) do not need to wait in the cold or rain outside. The QUBE in the junior playground is also open from 8am for breakfast club. Lets get everyone here on time everyday so no child misses their own learning or disturbs/delays the learning of others. Thank you for your continued support.

Class	Lates
Y6 & Y5	0
Y3	1
Y2	3
R	4
Y1	8
Y4	10

Another great week in terms of attendance—thank you too all of you who have helped ensure your children have been in as much as possible to maximise their learning opportunities. Year 3 and Year 5 take the joint crown this week, both with 100% - which is excellent, well done! Year 6 following closely behind with 98%. Also, well done to all Year 4 and Year 2 who were both above the target of 96% (both on 96%). Year 1 came in with 93% and Reception still need to improve with only 88.5%. Overall attendance for this week is 96% - so reaching our whole school target of 96%. This week's excellent attendance has moved attendance for the whole year up to 95.8% - edging closer to the 96% target. Thank you for this week and working with us on maximising time in school. Lets see if we can build on this moving forward and continue to improve overall attendance. Well done to all your children for their resilience and dedication to their learning.

Class	%
Y3 & Y5	100%
Y6	98%
Y4	96.6%
Y2	96%
Y1	93%
Rec	88.5%

Weekly Attendance Award

Dates for your diary...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub. Thank you.

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Reception

For your focus and engagement during carpet time. You are always sharing your great ideas with others. Keep it up!

Year 1

You have worked incredibly hard in Maths this term. You are focused and determined when problem-solving and you are always eager to help your friends when they're struggling, which shows your kindness and teamwork. Well done!

Year 2

Wow, I have really noticed how much you're putting your hand up on the carpet to share your wonderful ideas. You are so focussed and you try your best in every lesson. I've been so impressed. Well done, what a start!

Year 3

for always demonstrating our class values. For being a good friend and an excellent learner. Well done for always trying your best and setting a fabulous example for the rest of the class.

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Year 4

– for your extraordinary attitude towards learning. You are always focused, attentive and get on with your work straight away. Your dedication and hard work sets an amazing example for others. You are a pleasure to have in the classroom. Keep it up the fantastic work.

Year 5

For being an absolute trooper all week at Sayers Croft. You've been a positive member of the group, pushed yourself and made the most of every experience this week. Well done you star!

Year 6

For your brilliant piece of writing on the pros and cons of zoos. You are such a great listener and you always try to apply techniques you have learnt about into your writing. Keep up the fantastic work superstar!

Year 5: Valiant Vikings

Year 4: Togas to Tunics

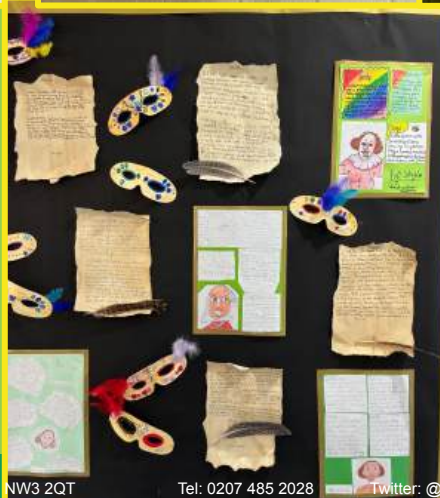

Year 3: Rock and Rumble

Year 2: All Around the World

Year 1: Lost

Reception: Superheroes

Nursery: Me and My World

This week at Fleet...

While it might have been a little quieter with Year 5 away at Sayer's Croft this week, there has still been plenty going on back in school. We've had various trips including the London Mithraeum, bug hunts in the forest school area and some fantastic science experiments happening as well as excellent writing and other subjects. At the end of last week we also had a really interesting assembly led by the Camden Clean Air Group where they demonstrated the effects of air pollution and how ventilation can help. Another really fruitful week with lots and lots of learning taking place across the school.

More from last week's Camden Schools Cross Country!
